

TROPHY OF THE EUROPEAN MIXED CURLING CHAMPIONSHIPS

The trophy for the European Mixed Curling Championships (EMCC) was donated to the European Curling Federation (ECF) by its President Malcolm Richardson in 2005 for the inaugural EMCC at Andorra. The trophy is a beautiful silver bowl, 20 cms in height and with a diameter of 32 cms. It weighs approx. 1 kg. The trophy is, as all the other ECF trophies as well, a challenge cup and may therefore not be kept by the gold medalist.
