

It is our intention that this site become ever more comprehensive, reflecting the ever wider spectrum of ECF activity.

Whilst looking forward to welcoming even more members, and to furthering the interests of European curling on the worldwide stage, the ECF's task for the coming years is to be of ever greater service to its curlers! We look forward to meeting all the various challenges that await us!

We wish all our curlers, and their families, all the best!

Olli Rissanen
ECF President
