

8 . 8. 2006

The Executive are pleased to announce that the 2009 European Curling Championship has been awarded to Aberdeen in Scotland.

We are also delighted to say we have cleared the outstanding problem with Ornskoldsvik and the Championship will go ahead there between the 6th and 13th of December in 2008 as previously advised.

The 2007 Championship venue is not quite yet finalised but hopefully we will be able to announce this in the very near future.
